

WESTPORT CAMPUS

EXCELLENCE - INNOVATION - OPPORTUNITY - SUCCESS

March 2021

Dear Parent/Guardian,

You may be aware that NAPLAN testing has moved to an online test platform. As more schools are moving to the Online NAPLAN tests, we have been asked again to participate in Practice Tests for NAPLAN which involve Years 7 and 9 students completing NAPLAN type tests online. These tests are scheduled to occur during Week 9 of this term, commencing on Monday March 22 and will consist of students completing two tests, each approximately 45 minutes in length, involving Reading, Language, Numeracy and Writing. We will not have access to the results of the tests; they are simply practice tests to ensure the systems in place are adequate for the successful and efficient transition to the NAPLAN Online platform.

Your child will be advised of when he/she will participate in these tests in the coming weeks and does not need to complete any preparation nor bring any special equipment.

As the tests include listening to instructions and questions, headphones will be provided, but we encourage your child to bring their own set of headphones if desired.

Feel free to contact the NAPLAN Coordinators, Mrs Stewart or Mrs Browning on 6583 6400 if you have any further questions.
